YOUTH (21 AND UNDER)

BLiNK (ages 12 and under) is a play group with a name meant to signify that it is “not only blue and not only pink”. It's space for families with gender-creative and trans kids to make friends and participate in fun activities; to be proud of themselves and accepting of each other in an affirming environment, no matter their style.

Youth Program (ages 10-21) offers safe, accessible, and supportive activities and events for 2SLGBTQ+ and allied youth to connect with their peers, foster resilience, improve mental health and wellbeing, and encourage the development of positive relationships to self, others, and the wider 2SLGBTQ+ community. We also have additional dedicated programming for 2SLGBTQ+ **BIPOC youth** (Black, Indigenous and/or people of colour).

OLDER ADULTS (55+)

Over the Rainbow is a social space available for Older Adults (ages 55+) in addition to the 18+ social support groups. We provide virtual and in-person programming that breaks you out of your routine and (re)connects you with your interests and queer identity. Some of OTR's core programming includes our **weekly OTR Coffee and Chat** and **Peer to Peer Phone Calls**.

ADULT GROUPS (18+)

The DEN (Diversifying the Enby Network) is for Non-Binary and gender-questioning folks to connect with one another in a safe, comfortable, and inclusive environment! Open to folks who exist outside the gender binary or are questioning where they fit within the gender spectrum.

New Pride of Winnipeg Newcomers to Canada (immigrants and folks with refugee experience) who identify as 2SLGBTQ+ are invited to join us for fabulous fun and friendship! Here we discuss what your identity means to you, along with the challenges, experiences, and joys of coming out, and living authentically in this vibrant community.

PFFoTI (Parents, Family and Friends of Trans Individuals) is here to listen, talk, learn, and support each other as we work to understand our family members experience in their gender identity journey, and strengthen our families and communities.

Rainbow Alliance for Men is a place for all gay, bisexual, trans, two-spirit, queer, and questioning men to come together in a safe, comfortable, and inclusive environment.

The Trans Feminine Circle is a space for people assigned male at birth but identify with femininity, or as women. Our goal is to help attendees create a deeper and more positive connection with their femininity.

Transmasculine Manitoba is a space exclusive for transmasculine people to connect, share resources and experiences. The group meets to discuss heavier topics, express support and perspective for each other. Throughout the month the group also meets periodically for light hearted activities.

Winnipeg Bi+ Network is a group for the bisexual community and anyone who experiences multi-gender attraction to meet regularly at the Rainbow Resource Centre.

INTERGENERATIONAL PROGRAMS

Crafting Queerly is a space where 2SLGBTQ+ folks (ages 16+) can come and work on their current crafting projects, meet friends, and spread 2SLGBTQ+ joy!

Over the Rainbow and Youth Program host Intergenerational Events and Programming throughout the year for their program participants.
