The Rainbow Resource Centre is one of the longest, continuously run two spirit, lesbian, gay, bisexual, transgender, queer, and questioning (2SLGBTQ+) centres in North America. The Rainbow Resource Centre was exclusively run by volunteers during its inception in 1972 and continues to rely heavily on the support of volunteers in a variety of capacities. Currently, a skilled team of staff and volunteers work together to provide essential services and education to people of Manitoba and North Western Ontario.
